A vibrant, stylized landscape with a blue sky, green hills, and a body of water. The scene is overlaid with the text "What you look around could just be virtual reality" in a red, serif font. The text is arranged in three lines: "What you look" on the top line, "around could just be" on the middle line, and "virtual reality" on the bottom line. The background features a bright blue sky with white clouds, a green hill with a small white building, and a body of water reflecting the sky. The foreground is filled with green foliage and a path leading towards the water.

The background is a collage of black and white comic book panels. On the left, a large panel shows Tarzan in a jungle setting. On the right, there are three smaller panels: the top one shows a man's face, the middle one shows a lion's face, and the bottom one shows a gorilla's face. The text is overlaid in the center.
